

Winter / Spring Monoprinting Workshops with Carol MacDonald

Monoprint is a print medium whose simple concept, spontaneous process and elegant results have attracted artists for years. Monoprints are unique prints made by the direct transfer of an image from a plate to paper.

MONOPRINTING • 2020

Workshop includes demonstration of different monoprinting techniques using an etching press and fully supported studio time to work on your own images. No experience needed!

All materials included! Bring a bag lunch.
