

# Fall Monoprinting Workshops with Carol MacDonald

Monoprint is a print medium whose simple concept, spontaneous process and elegant results have attracted artists for years. Monoprints are unique prints made by the direct transfer of an image from a plate to paper.

## MONOPRINTING • 2018

Workshop includes demonstration of different monoprinting techniques using an etching press and fully supported studio time to work on your own images. No experience needed!  
All materials included! Bring a bag lunch.
