

Fall Monoprinting Workshops with Carol MacDonald

Monoprint is a print medium whose simple concept, spontaneous process and elegant results have attracted artists for years. Monoprints are unique prints made by the direct transfer of an image from a plate to paper.

Monoprinting 2024

Workshop includes demonstration of different monoprinting techniques using an etching press and fully supported studio time to work on your own images. No experience needed!
All materials included! Bring a bag lunch.
